Sir:

In response to the Office Action of December 14, 2001, please amend the application
as follows:

IN THE SPECIFICATION:

Page 1, substitute the following paragraph for the paragraph beginning on line 3:

B¹ This invention relates to a wind power plant which is intended for connection to
distribution or transmission networks, hereinafter called power networks. The invention also
relates to an electric generator for high voltage in a wind power station intended for the
above-mentioned purpose. The invention further relates to a variable speed system
containing the above-mentioned generator.
